Date: 22nd September, 2025

Access to NMEICT Open Digital Resources

Dear Students, Faculty, & Staff,

Tetso College now has access to the **National Mission on Education through ICT (NMEICT)**, an initiative of the Government of India to make quality education accessible to all through digital platforms. NMEICT provides a wide range of **Open Digital Resources** designed to support learning, teaching, and research across disciplines.

The following platforms are available under NMEICT:

- **SWAYAM** – Online courses from top institutions
- **SWAYAM Prabha** – Educational TV channels
- **NDLI (National Digital Library of India)** – A vast collection of academic resources
- **Spoken Tutorial** – IT and software training
- **FOSSEE** – Free/Libre and Open Source Software for Education
- **e-Yantra** – Robotics education initiative
- **e-ShodhSindhu** – Consortium for e-journals and e-books
- **Virtual Labs** – Online laboratory simulations
- **Shodh Shuddhi** – Plagiarism detection and research integrity
- **Samarth** – Higher education management system
- **Baadal** – Cloud service for academic needs

PRINCIPAL
TETSO COLLEGE

- **VIDWAN** – Expert database and networking platform
- **eGyanKosh** – Repository of digital learning resources

You can access these platforms through the official NMEICT website at <https://nmeict.ac.in/>, and sign up for these sites using your personal email ID. The link will also be available on the [Tetso College Library website](#) for your convenience. We encourage you to explore these resources and make the best use of them for your academic growth.

For any queries, please email tetsolibrary@tetsocollege.org.

Regards,

Insuenla Tzudir,
Coordinator, Library Committee

Maonglemla Jamir
Assistant Librarian
